INTERNSHIPS

AGRASAR FOUNDATION — May'23-Jun'24, **Gurugram**
Project Manager Intern
Beneficiary Operations

- Managed records for an average of **10 beneficiaries** daily, tracking service requests and application status.
- Assisted beneficiaries with government documentation, banking services, and welfare scheme applications.
- Maintained Excel reports to track case status and identify follow-up requirements.

Stakeholder Coordination & Process Improvement

- Participated in weekly reviews to identify operational issues and discuss ways to streamline service delivery.
- Coordinated with interns and government-sector volunteers to support beneficiary case resolution.
- Contributed to outreach discussions with NGO leadership to explore ways to increase community reach.

LUMAX — May'24-Jun'24, **Gurugram**
Intern
Performance Management System (PMS)

- Designed a feedback survey to evaluate the PMS and collected **600+ employee** responses.
- Analysed responses to identify employee preferences and suggested areas for improvement.
- Supported PMS evaluation by presenting survey findings to help the company understand employee feedback.

Employee Insights & HR Operations

- Analysed all employee exit interview forms, categorizing responses to identify recurring themes.
- Prepared and presented an exit feedback report highlighting employee concerns and organizational improvement areas.
- Reviewed HR policy documents and maintained records to support HR operations and process compliance.

PROJECTS

Residential Builder Floor Development | FUSION FLOORS — May'25-jun'26, **Gurugram**
Business Operations & Sales Project
Workforce Coordination & Operations

- Coordinated daily operations for a **15-member** labour team, addressing workforce and material requirements.
- Monitored daily labour availability and coordinated with the head labourer to maintain site productivity.
- Improved site efficiency by arranging materials and custom tile racks based on workforce requirements.

Stakeholder & Vendor Management

- Coordinated with vendors and contractors to ensure timely procurement and availability of construction materials.
- Negotiated vendor prices and resolved procurement issues to support uninterrupted project execution.
- Managed communication across vendors, contractors, labour teams, and brokers throughout the project.

ACHIEVEMENTS

- **Winner – Startup Weekend, Masters' Union**, developing AURUM among 10 teams in a 24-hour startup challenge.
- **Presented behavioural research** at the International Conference on Community Health to students, researchers, and professors.
